

Mazda MX-30 Free Wallbox Charger Offer Terms and Conditions

- Free charger offer consists of a Type2 Wallbox Pulsar Plus 7.4kW charger (black or white) with 5m tethered cable, power boost single phase, Type2 plug holder and 2 years warranty.
- Charger warranty is provided by Wallbox Chargers S.L.
- Standard installation is provided by Ecoplex Energy Solutions and is subject to site survey. Additional installation costs may apply.
- **Free Charger Offer is subject to standard installation and customer eligibility for €600 SEAI electric vehicle home charger grant.** One charger installation is applicable per claimant and no cash alternative is on offer.
- The charger is free for those availing of the SEAI Grant. To be eligible for this grant, you **must submit your application in advance of the charger being installed.** Payment of €600 is required at time of booking and you will then be reimbursed by SEAI after install.
- Mazda Ireland, Wallbox Chargers S.L. and Ecoplex Energy Solutions are not responsible for SEAI applications and this must be done in line with SEAI application guidelines. Please consult with your Mazda dealer for guidance on grants or visit the SEAI website: <https://www.seai.ie/grants/electric-vehicle-grants/electric-vehicle-home-charger-grant/>
- Estimated total value of the offer is €1,548 incl. VAT. No cash equivalent is available.
- If you wish to upgrade to a Wallbox Commander 2 charging unit, an additional €300 incl. VAT will apply. Please consult your dealer for more information.
- Offer valid until 31st July 2021 while stocks last at participating dealers.
- Offer is subject to the availability of the SEAI grant.
- Mazda Ireland reserve the right to amend any offer without prior notice.
